TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their report and financial statements for the year ended 31 March 2023. The Trust is a charitable company limited by guarantee and accepted as a charity by HM Revenue and Customs under reference XR18282.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

During this financial year The Playhouse has continued to operate within its updated Strategic Framework developed in 2021-22 with a view to embarking on a fuller strategic development process planned to be finalised for 2025 financial year onwards.

The Playhouse's vision is to create community, celebrate diversity and empower people through the arts.

The Playhouse's mission is to deliver creative, innovative and accessible Theatre, Arts, Education and Peace Building programmes that enrich the lives of the people we serve.

The Playhouse has four core values: community, creativity, quality and sustainability. These values describe who it is, what it stands for and how it does business.

- **COMMUNITY** – Belonging @ The Playhouse: Working as a community, for the community - by creating safe spaces where people of diversity can mingle and thrive.
- **CREATIVITY** – Imagine That: Continuously re-imagining new ways of working to ensure its performances, programmes and management processes are the best that they can be.
- **QUALITY** – Giving of our Best: Striving for excellence in everything it does: in staged performance; in education provision; and in how The Playhouse is administered.
- **SUSTAINABILITY** – Here for Good: The Playhouse works hard to create the financial and organisational stability that sustains it now and into the future.

The Playhouse's brand personality is: Open, Engaging, Challenging.

The difference The Playhouse makes is: People are making meaning together creatively, peacefully and with hope.

The Playhouse works in the following ways:

- We are enablers of people.
- We look to get to the heart of the stories that matter to the people who need to tell them.
- We work collaboratively towards positive change.
- We prioritise ideas that can make a sustainable difference in the lives of diverse people now.

The Playhouse has three areas of endeavour:

- Empowering People.
- Producing Art.
- Making Peaceful Change.

NORTH WEST PLAY RESOURCE CENTRE

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

To support these areas of endeavour The Playhouse:

- Hosts at least 60 nights of high quality live and streamed Theatre, Music and Comedy by local, national & international artists in its 144 seat theatre.
- Regularly commissions, produces and tours new theatre and film. Its work has been seen throughout the island of Ireland, and in Britain, mainland Europe and USA to widespread critical acclaim.
- Delivers socially engaged arts workshops and projects that address difficult issues in some of the most divided communities in Northern Ireland. The Playhouse uses arts activity to encourage creativity and learning and to promote reconciliation and climate action. The Playhouse, with its partners, also delivers hundreds of classes in drama, visual arts, dance and music to thousands of people each year, including OCN qualifications in the arts and citizenship.

The Trustees have paid due regard to the guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

During the financial year ending 2023, The Playhouse, like many other arts organisations, emerged gradually from from the challenge of operating during the Covid-19 pandemic, encouraging audiences to return, working with artists to welcome new programmes and productions and supporting staff in readjusting to a work life without lockdowns on the horizon.

The Playhouse continued to show flexibility and endeavour building on the previous financial year in which it continued to embrace digital technology and online means of delivery across theatre, learning, peacebuilding and community participation. Significant programmes were delivered in a hybrid way combining online and live and new productions, festivals and programmes were developed and introduced. The organisation showed patience and resilience in the gradual and uncertain return to 'normal' business and to sustaining its contribution cultural life and viable work for artists and practitioners.

Producing Art

Both physical and online audiences attended events in The Playhouse and in other venues we produced in (for example, The Guildhall). A total of 4598 tickets were sold across our in theatre and online productions. An estimated 40,000 engaged with our terrestrial Radio/TV broadcasts and through our events broadcast on social media we reached online audiences over 125,000.

Highlight productions this financial year include:

HUME: Beyond Belief by Damian Gorman and Brian O'Doherty 31 March to 7 April 2023

Produced by The Playhouse in partnership with the John and Pat Hume Foundation and directed by Kieran Griffiths HUME: Beyond Belief story of the life and mission of John and Pat Hume spanning the time of their working lives and encompassing the time of the Troubles in Northern Ireland. The production helped mark the 25th anniversary of the signing of the Good Friday Agreement and involved a yearlong engagement with family members, colleagues from the political and community development arenas and the John and Pat Hume Foundation. The production received significant support from the Irish League of Credit Unions and local credit unions around the island of Ireland, reflecting John and Pat Hume's role in the founding of the movement on the island.

The production received a 5 star review from The Observer and was another transformational civic moment for Derry-Londonderry. The production continues to enable The Playhouse's realise its ambition of developing its role as a production house of note.

The Crack in Everything Documentary by Erica Starling Films April 2022

A documentary of the making of the original theatrical production which tells the stories of six families who have lost young children in unexplained circumstances during the Northern Ireland Troubles. Premier performance took place in the QFT, Belfast in 2022

The Crack in Everything Westminster House of Commons Presentation June 2022

The Crack in Everything Westminster House of Commons Presentation brought the stories of the six families to the heart of UK democracy right at the point when two crucial Northern Ireland bills were being debated in the chamber. Following the moving presentation a civic conversation was hosted by The Playhouse involving MPs, dignitaries and members of the public opening out an empathetic space within the seat of political power

World Citizens Weekend

A cultural exchange with theatre and peacebuilding practitioners from UK, Kenya and Rwanda. The programme included shared practice workshops and film presentations and post film discussions as follows:

- Maths by Sinead O'Loughlin. This new short educational film explores the non-reporting of crime by those who identify as LGBTQ. Funded by the Asset Recovery Fund, the film will be used by youth workers and justice professionals to explore policing and justice issues with young people.
- Bonfire by Fine Point Films. A human story of clashing identities around the culture of bonfires in Northern Ireland.
- First Responders Documentary by Northland Broadcast Films of the making of the original theatrical performance involving first responders involved in the Northern Ireland Troubles

39 Steps

A wildly comic thriller by Patrick Barlow in which the entirety of Alfred Hitchcock's 1935 adventure film, *The 39 Steps* (with over 150 characters) is performed on stage by a cast of only 4. It's filled with dangerous femme fatales, dastardly villains, deadly assassins and lightning-fast costume changes.

"WHAT A JOY! COMEDY, INTRIGUE, DRAMA, SUSPENSE, ROMANCE, INNUENDO. WHAT A NIGHT OF PURE ENTERTAINMENT" AUDIENCE MEMBER

"ABSOLUTELY GIGGLE-INDUCING, ABSOLUTELY WESTEND-WORTHY, WITH A STANDOUT CAST THAT ARE ABSOLUTELY CLASS" AUDIENCE MEMBER

The Producers

Considered one of the funniest musicals ever to grace the stage, the comical story follows down-and-out producer Max Bialystock who decides the only way to make any money out of showbiz is to produce the worst musical ever, get it financed and then run off with the leftovers once the show has flopped.

Alongside the worst director they can find, Max and his hapless accountant set about producing Broadway's newest show: Hitler – The Musical!

Empowering People & Making Peaceful Change

In this year approximately 19,082 people participated in our Empowering People and Making Peaceful Change programmes.

Key activities included:

- *Artitude*
An exciting community engagement project grounded in the circular economy, that uses the arts and creative practice to encourage behaviour change and challenge attitudes to waste, consumption and climate action. The Playhouse is working with partners Zero Waste Northwest, Northern Ireland Resources Network, Queens University Belfast and Derry City and Strabane District Council to co-ordinate and deliver a programme of creative activities and a Climate Arts Festival
- *Development of That's Powerful*
That's Powerful is a suite of rights based creative workshops for students, communities, residents, and localities, that culminate in an artistic event. That's Powerful provides participants understanding of real-life lived experiences, develops civic discourse capacity around cultural and societal issues and nurtures abilities and skills in the creative arts.
Through modules:
 1. Testimonial and discussion: sharing stories of lived experience.
 2. Mindset and Relationships: exploring your current beliefs in relation to this topic and reflecting how your current thinking impacts how you relate to self, to others and the world around you.
 3. Building Common Ground: respecting difference and role-playing scenarios and privileges/ prejudices experienced by 'the other'.
 4. Wellbeing, Hope and Resilience: envisioning a better future, workshoping how to take inspired action and appreciating the challenges of change-making within global societal systems. Groups will learn artistic skills, develop their creativity, become empowered, empathise and make positive choices today towards a brighter tomorrow.
- *Playhouse Music Theatre Company*
A training programme designed to provide our local artists with conservatoire standard training in music theatre – for free. Members of last year's company went on to perform in two productions and formed the company of HUME: Beyond Belief – The Life and Mission of John and Pat Hume
- *Theatre of Witness Workshops* that enabled victims and survivors of the conflict in Northern Ireland to use theatre to share their experiences with workshop participants and promote peace building. This work transformed participants' perceptions and attitudes. Workshops were held both online and in person with community and schools groups across Northern Ireland and border areas.
- *Song for the Soul* project works with a choir of adults with a diagnosed severe and enduring mental illness. The group rehearsed online and occasionally in the theatre due to Covid-19 and facilitators and health care professionals going the extra mile to keep the choir active during a very difficult time.

- *Street Talk incorporating Choice and Voice*

Street Talk is a youth arts project that engages groups of young people in meaningful programmes of arts activity where they can articulate, explore and creatively address issues that are relevant to their lives and learn new skills. Programmes are co-designed and co-delivered with young people and The Playhouse works in partnership with youth and community groups to reach young people across the region. Partners have included

- VOYPIC
- Include Youth
- Currynieirin
- Tullyally
- YMCA
- EOTAS
- Streetbeat

Events Management Training:

We have been developing bespoke models of events management training that also includes an introduction to career pathways within the creative sector, gallery visits and tours etc.

- Affordable space and resources were provided for our resident groups including Sole Purpose Productions, Lilliput Theatre and UV Arts alongside accommodating additional Western Health Trust groups as their regular venues were closed.

Financial review

The results for the year are set out on page 13.

Total income for the year was £1,167,411 of which 85% was generated from contracts, grants and donations and 15% from charitable activities.

Total expenditure was £1,328,958 of which 96% was expended on direct charitable activities.

The balance on total funds at the year end was £3,689,165 of which £222,311 was unrestricted, £369,019 was restricted and £3,097,835 was designated in nature.

Going Concern

Having reviewed the Trust's forecasts, the trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. The principal factors underlying this judgement include:

- Current levels of financial performance by comparison with budgeted expectations;
- Expected revenue from the Trust's business plan
- Continuing support from the ACNI.

Accordingly, the Trust continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Plans for future periods

The Playhouse as it looks towards its 30th year will continue to develop and grow all of its existing creative partnerships, programmes and projects, while devising new, cutting edge, innovative arts, education and peace building initiatives that impact positively on areas and people of greatest need. Future plans include the development of a young music theatre company resident at The Playhouse, a Leaders for Peace programme, developmental programmes that empower young people, and new work and commissions that explore timely issues relevant to our society today, for example climate action.

NORTH WEST PLAY RESOURCE CENTRE

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2023

The Trustees, who are also the directors of North West Play Resource Centre for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NORTH WEST PLAY RESOURCE CENTRE

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF NORTH WEST PLAY RESOURCE CENTRE

Opinion

We have audited the financial statements of North West Play Resource Centre (the 'charity') for the year ended 31 March 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees' report for the financial year for which the financial statements are prepared, which includes the directors' report prepared for the purposes of company law, is consistent with the financial statements; and
- the directors' report included within the Trustees' report has been prepared in accordance with applicable legal requirements.

NORTH WEST PLAY RESOURCE CENTRE

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF NORTH WEST PLAY RESOURCE CENTRE

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' report and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the statement of Trustees' responsibilities, the Trustees, who are also the directors of the charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the company.

Based on our understanding of the company and its operating environment, we determined that the most significant frameworks which have a direct impact on the preparation of the financial statements are those related to the reporting framework (FRS 102 and the Companies Act 2006) and the relevant tax compliance regulations. Additionally, the company is a registered society and therefore is regulated by the Financial Conduct Authority of which non-compliance with relevant requirements may have a material effect on the financial statements.

We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur, including evaluating management's incentives and opportunities to manage earnings or influence the reported results. From the results of our assessment, we determined that the principal risk of fraud related to posting inappropriate journal entries. In common with all audits under ISAs (UK), we are required to perform specific procedures to respond to the risk of management override.

NORTH WEST PLAY RESOURCE CENTRE

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF NORTH WEST PLAY RESOURCE CENTRE

Audit response to risks identified

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. Audit procedures performed by the engagement team included:

- We obtained an understanding of the company's internal control systems in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the company's internal control.
- We obtained an understanding of how the company complies with relevant laws and regulations, including aviation and environmental compliance requirements, by making enquiries of management and those charged with governance.
- Enquiry of management, those charged with governance and the entity's solicitors around actual and potential litigation and claims.
- Enquiry of entity staff to identify any instances of non-compliance with laws and regulations.
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud
- Reviewing minutes of Steering Group meetings
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the completeness of income to address the risk of fraud in revenue recognition.
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions that are unusual or outside the normal course of business.

We communicated relevant laws and regulations and potential fraud risks to all engagement team members, and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment through collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

Charity information

North West Play Resource Centre is a private company limited by guarantee incorporated in Northern Ireland. The registered office is 5-7 Artillery Street, Derry, BT48 6RG.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes. The designated funds for fixed assets is that part of unrestricted funds that represents fixed assets held.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Costs of raising funds comprise the cost associated with generating donations, securing grant funding and the associated support costs.

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

(Continued)

Expenditure on charitable activities includes the costs of services undertaken to further the purposes of the charity and their associated support costs.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's programmes and activities. The bases on which support costs have been allocated are set out in note 7.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% straight line
Plant and equipment	10% straight line
Motor vehicles	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured at the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest rate method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest rate method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Taxation

The company is a charity and is recognised as such by HM Revenue & Customs under the charity tax reference XR18282. As a result, there is no liability to taxation on any of its income.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

FOR THE YEAR ENDED 31 MARCH 2023

20 Financial commitments, guarantees and contingent liabilities

Certain grants received and receivable may become repayable to the funds if the Charity is no longer able to meet the conditions under which they were awarded. Due to the nature of these contingencies it is not possible to quantify the potential financial effect or give an indication of timing as to the liabilities that may arise.
