

Covid 19 – Procedure at The Playhouse

We want to ensure the safety of all staff, cast, patrons and visitors.

1. Please **do not** attend our theatre / meetings / activities / rehearsals if you **display any Covid 19 symptoms**.
2. Please wear a **mask** on entering The Playhouse, and continue to wear it in public spaces. Visitors to our theatre may remove their masks once they are safely seated in our theatre.
3. Please implement **social distancing** by keeping **one metre apart** from others.
4. **Sanitize your hands regularly** using the sanitizer provided which is available in all rooms and public areas of your use.
5. **Awareness signage** is in each room and in public areas to remind you to **wash / sanitize your hands**.
6. Please be responsible for your own items and ensure you **dispose** of any waste e.g. food cartons, tissues etc.
7. **Plastic gloves** are available if you want to wear them to **access public areas of building** e.g. lift, bathrooms, kitchen etc.
8. All cast members, crew & staff need to complete Covid 19 **Press Health Assessment** form before entering the building so we can ensure everyone in The Playhouse is symptom-free. This will be sent in advance of your arrival by your point of contact at the Playhouse.
9. If you are **displaying Covid 19 symptoms** during your visit, please notify a member of staff at the Playhouse, who will bring you to our Isolation room where you will be assessed.

Thank you so much for following our procedure.
